

Friday 1st February 2019 Number 8

Learning Ambassadors

School Council have been working together to plan and think about the skills of the new Learning Ambassadors. During assembly the children found out that the role is to promote learning by helping our learners be the best learners they can be. Also, how to apply for the role by making a 'Learning Ambassador' poster.

During the year, the Learning Ambassadors will undertake the following:

- Lead learning assemblies
- Visit lessons to spot outstanding learning
- Promote excellent behaviour for learning
- Attend 'Welcome' meetings for new parents and visitors and present/talk about what learning looks like from a pupil perspective at Yealmpton Primary School.

Our chosen Learning Ambassadors from each class are excellent role models; they have good learning attitudes and are able to speak confidently to visitors, staff and governors.

Our wonderful new slide!

We are so pleased with the new slide which was installed earlier this week and once the weather improves the children will be able to enjoy playing on it. This now completes the Adventure Trail which was erected in the summer.

Tennis Roadshow

On Tuesday, Phil Leighton from the LTA Tennis Roadshow visited us and worked with children from Foundation to Year 3. He taught the children how to hold the racquet correctly, simple ball skills and he even let them take the ball on a walk around the hall. The children really enjoyed having the opportunity to learn new tennis skills and they were superstars! Thanks so much to Phil for his amazing coaching.

Dog Waiting Zone

Dogs are an important part of life for many families, and as such, are often included in day-to-day activities such as walking children to and from school. The school appreciates this inclusion and values pet ownership as an educational experience; it also acknowledges other families (and individuals) can find contact with dogs stressful, even frightening.

Dogs are not allowed onto the school site but can be tied up to the fence as you enter the right hand side gate through the main school gates. Please ensure your dog is tied up well away from the pathways used by the children which will support everyone within our school community enjoying their walk to school.

Maths Open Morning

We look forward to welcoming parents and carers to join in with the problem solving learning planned for our open morning on **Friday 8th February**. This event will run from 11:00- 11:45 am, all the classrooms will be open so you can visit different classes to encourage our enthusiastic mathematicians.

	Term 3 2019

05.04.19	Easter Service 11:30 – 12:15 – St Barts

P.E Kit

The children take part in P.E regularly throughout each week, it is important that everyone has their P.E kit in school ready for the lesson. Thank-you for your support.
