

# Spring Parent Survey 2019

Thank you to the parents who completed our most recent school survey. From a possible 165 returns we received 36 replies. We appreciate all responses and want to work closely with all parents to ensure all of the children have a positive experience whilst at Yealmpton. We have reviewed all of the feedback comments and will endeavour to further improve any areas that have been highlighted to strengthen our offer. It is rewarding to read comments such as, "My child is very happy at the school, she has lovely friends and has made excellent progress. The teacher and Head teacher are accessible for meetings. Behaviour is dealt with in a supportive way. Thank you for all that you continue to do for my child."
