

## Romans and Greeks

Years 3, 4, 5 and 6 enjoyed finding out about Ancient Greece and Rome on Thursday from local historian Steve Manning. Steve told the children some of the ancient stories and myths, explained about military weaponry and tactics, and even got the children to create their own battle formations on the school playground!

## Football Champions!

A huge well done to our Year 5/6 Girls Football Team! The girls won the Ivybridge Learning Community football tournament on 7th May without losing a match or even conceding a goal! They have now taken part in the County Finals - along with our Year 3/4 girls football team, who won their own competition a few months ago.

## WELL DONE, GIRLS!

Last week, we were incredibly lucky to have a visit from two fantastic lifeguards who led an assembly about how to stay safe at the beach. The children loved learning about the different flags and where was safe to swim. The children were fully engaged with this fun session and really understood the important messages shared.
