## Willow Open Morning

It was lovely to welcome so many prospective new families to our Willow Class Open Morning last Wednesday. Parents and children had the opportunity to explore Willow Classroom and the outside learning areas and to meet the teaching team. We all shared a story in the outside classroom and the children all took a beautiful new book to share at home.

### Summer Term 2018

11.05.18	Parent Forum 9:00 am

10.07.18	Parents Evening
20.07.18	Last day of term

(Correct at the time of printing)

## School Meals

Please could all meals be paid for in advance of ordering or on the day. Debts are building up and the school policy states that only one credit meal can be given before payment or packed lunches need to be provided. Please help us to run an efficient kitchen and budget by paying promptly/in advance. Thank you.

## Teddy Bear Hospital

Willow Class launched their 'People who Help Us' topic with an exciting visit led by medical students who are studying to be doctors at the Peninsula School of Medicine and Dentistry. The children learnt about how their heart works and how to keep healthy. They looked at bones in a skeleton and explored what's inside a doctor's bag! We listened to our heart beat and measured our heart rate.

The doctors were also able to make all the children's teddy bears better, using bandages and plasters!

## Garden Gang

Garden Gang have been busy in the orchard. They have been weeding and digging ready to plant carrots and parsnips. They also picked some tasty rhubarb for Mrs Dean and some of the KS2 children to make a delicious rhubarb crumble.

## Sports Relief

Well done to all the children for taking part in Sports Relief day - some marathon runners in the making! There was an amazing £658.55 raised for the charity. Thank you.
