Walk to School Week Monday 11th June 2018

We would like to encourage everyone to take part in walk to school week. You can all take an active part by:

- Walk, scoot or bike with an adult
- Park and stride the last five minutes

There are lots of reasons why it is important to walk to school, here are some of the reasons we came up with:

- Happier MINDS and healthy BODIES
- Fewer cars at the school gate
- Walking = No pollution
- Extra time with friends and family

Our school challenge is to find out,

How many happy feet can we get walking to school from Monday to Thursday?

We are going to count up how many children take up the challenge and if we beat 500 happy feet then we are planning to have a 'Happy Shoe Day' on Friday 15th June. The children can wear whatever shoes they like with their school uniform that day. Let's all work together to make our walk to school week a super success.

Happy Shoe Day

School Lunch Increase

From September 2018 the school lunch charge will increase from £2.25 to £2.30, this is in line with both Stowford and Woodlands Primary Schools and takes into consideration rising food prices. The price continues to represent good value as each meal includes a main course, side salad options and dessert.

Wonderful Cake Sale!

Thank you to everyone who supported the cake sale at the end of half term to raise funds for Ronald McDonald House in Bristol who supports families with very sick children. We are delighted to share that together we raised £160.00 for this fabulous charity. Special thanks to Eli and family.

Did you know that research carried out by the NSPCC and O₂ has revealed that 1 in 4 young people have been contacted over social media by an adult they didn't know, a third of which were children under 13!

Online safety is such a big issue for our children today. Luckily help is at hand. Please click on <https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/> for some great online safety tips.

Tuck Drinks

Having listened to your comments at Parent Forum regarding the drinks cartons sold during tuck time which are unrecyclable, we have endeavoured to find a more environmentally friendly product at a comparable price. As yet we have been unable to source an alternative so we will be stopping the sale of our apple/orange drink cartons during the morning break from Monday. Children can use the water fountains or their own water bottles if thirsty. We will keep you informed of any progress should we find a suitable alternative.
