## Wonderful News !

We are pleased to advise that Mercury Construction Limited have been appointed to replace the temporary classroom at our school. The works will start on 16<sup>th</sup> July and be completed in time for the Autumn term. This is a significant investment and the building will provide 2 new classrooms and a larger covered play area. Mercury Construction are used to working in and around schools but we would remind parents that construction sites can be hazardous and children should not enter any work areas.

## September New Classes

The children will be meeting their new class teachers next Tuesday morning and spending time in their new classrooms to support them with transition to their new year group.

## Fantastic New Books!

We have had some fantastic new books delivered to school this week! The children have already seen them starting to appear on our library shelves and they cannot wait to start reading them. We have bought a new range of fiction story books and engaging non-fiction too. Please can all library books you have at home be returned to school by Monday 16<sup>th</sup> July to help us in preparing the library ready for September.
