

## Topic: Sizzling Summer

### Seaside in a bottle

Have a lovely, relaxing day at the beach. Collect up lots of sand, pebbles and shells and use them to create your very own seaside in a bottle. Add a few drops of washing up liquid and blue food colouring for the swishy sea! (Mrs Teehan has instructions if you'd like some!)

### Scrapbooking!

Make a 'Chestnut or Elm memory book' to help you remember what a fantastic year we have all had in Year 3. You could add photos from parties that you have been to, photo of school trips (ask your teacher), memories of your favourite lessons and anything else fantastic you can think of.

### Greenfingers!

Have a go at planting your own flowers and plants and watch your garden grow! Primroses, wild strawberries and lavender are great to get started with. Make sure you water them every day and take lots of photos of all your hard work.

### Something a little bit different...

Write a letter to a future version of yourself in 10 years' time. What do you hope you will be doing? What job will you be doing? Where in the world will you be? Who are you friends with?

Design and make your own delicious summer smoothie. What fruits will you include? How will you present your recipe?

Research, design and create your own 'under the sea' recycled animal for our courtyard display.
