

Friday 27<sup>th</sup> September 2019 Number 2

### End of the day

At the end of the day we need your support to keep the site safe for the out of school clubs. After you have collected your child/children could we politely request that all families leave the school grounds promptly as the gates need to be closed. At the end of the day the trim trail is out of bounds as it is only to be used by the children during the school day. Thank you for your help in this matter.

### Car Access

Safeguarding our children is of paramount importance to us, as well as encouraging active travel - walking or cycling to school. For these important reasons the school restricts access to the school site.

The gates are closed from 8:40 – 8:55 and 3:00 – 3:15 each day, only staff, community centre users or disabled drivers can gain access at these times as we run a dual use site. Please take extra care at these busy times of the day and please be considerate to our neighbours when parking. Thank you.

### Ready for School, Ready to Learn

Thank you for all your support in getting the children prepared for the start of term. Everyone is looking very smart and are excited to start their new projects.

To help the school team and families work together we have put together a list of school expectations to ensure that everyone is properly equipped, arriving promptly and are wearing the agreed uniform.

Thank you in anticipation, we are very proud of all our children and believe that high standards of uniform, behaviour and attendance gives every one of our students the very best chance of learning well and achieving their very best. Please see the 'Readiness for School ' list on the second page.
