Top tips for reading at home

Research shows that reading with your child for as little as 10 minutes a day can significantly boost how well they do at school. Set aside a regular, quiet time every day to read with your child, whether it's for 10 minutes when they get in from school or reading a bedtime story together. Remember to fill in the home school link book and return reading books regularly to school.

World Book Week

We have enjoyed lots of World Book Day activities this week including an author visit, bedtime stories, character dress up day and campfire stories for the older children. We were blown away by your incredible costumes and we would like to say a big thank you to FYVS for supporting this event and providing the hot chocolates and biscuits for the children.

Reading - regular volunteers needed!

We would really appreciate some regular volunteers to hear children read during the school day. This would involve taking individual children to read their school book in the library area. If you are able to help out in any way on a regular basis and are interested, please contact the Admin Team through the school email address with your availability. Thank you for your support.
