

## What will you choose to do?

- If you could be an insect for a day, what kind would you be? Why? Where would you live? How safe would you be from predators?
- Make a bug's-eye plan of your classroom or bedroom. How would things look from high up there on the wall?
- Read the novel *Charlotte's Web*, then write a book review to share with your friends. Is it a good read? Would you recommend it?
- Find out which flowers and herbs attract minibeasts. Plant a bulb or seed in a pot or planter and see who comes to visit.
- Go on a bug hunt in a local park or woodland. What will you find? Can you photograph it?
- Make a comparison between two minibeasts. How are they similar? How are they different?
- Visit a local museum or nature centre to find out more about minibeasts and bugs. Make your own sketchbook and record any information you can gather.
- Use dough or clay to make a replica of your favourite minibeast. Bring it in to school to share with others.
- Make a minibeast glossary to explain all the specialist vocabulary associated with this topic.
- Use poster paints to design a beautiful and symmetrical design for a butterfly's wings. Can you transfer your design to a computer?
