Friday 8th October 2021

Dear Parents / Carers,

I hope this letter finds you well. The term seems to be flying by! So much accomplished yet so much more to look forward to! Before sharing the weekly highlights with you, I'd like to draw attention to some key dates coming up. Next Friday we have our first parent open morning of the year. We look forward to inviting our Yealmpton family into class for some special 'DEAR' time (Drop Everything And Read). You can come in from 8.45am up to 9.30am. As a result, our Celebration Assembly will begin later, starting after the open morning, around 9.30am. Year 5 and Year 6 have Bikeability throughout the week, so they will not be part of this Open Morning, however we will invite our Year 5 and 6 parents in to have some DEAR time at a later date.

In the final week of the half term, we will have our Harvest Service on Thursday 21st October at St Bart's Church and this will commence at 10.30am. For parents who may be available to help walk the children to and from church, please inform your child's class teacher. Your help is very much appreciated! We are particularly excited as this will be the first time we've been able to gather and celebrate in such a way for a very long time. In addition, on the same Thursday our amazing FYVS team are running a school disco after school to celebrate the end of term. What a great opportunity for the children to let off some steam and show us all their best dance moves!

Time now to reflect on another great week of learning. Instead of providing a detailed narrative, I will keep it brief and let you enjoy photos of the children immersed in their studies. To begin, we have map making in EYFS and 'Owl Baby' den building in Year 1!

SCHOOLS TRUST

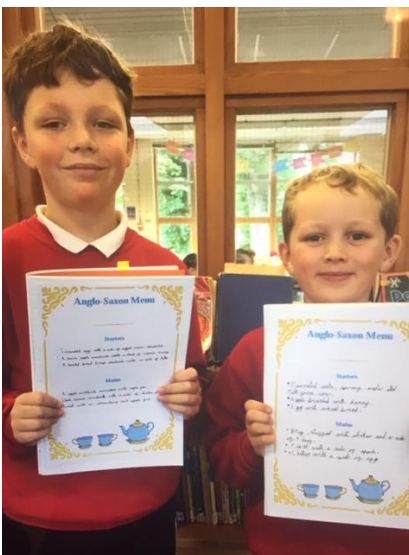

In Year 2 we have been immersed in our castle designs while in Year 3 the children have been making their own replica Bronze Age tools.

PIC•COLLAGE

In Year 4, the children have been creating their very own Anglo Saxon menus while in Year 5 the children have been learning about the expansion of the Universe!

In Year 6 the children have been exploring the question - How does the distance from the light source affect the shadow? Also find enclosed a picture of all the amazing new Wild Tribe equipment we now have to use, courtesy of our FYVS team who have raised the funds for such wonderful resources!

And let's not forget about our weekly tuck shop up and running from FYVS and our great apple giveaway!

What a pleasure it is to see our wonderful children embracing challenge, growing in confidence, working responsibly and succeeding in learning. Wishing you all a wonderful weekend,

'Be the Best you can Be'
