

## Summer Term 2 Creative Homework

(To be completed and returned to school by 6.7.2018)

Go on a bug hunt. Make a tally of all the different mini beasts you find. Which was the most and least common?

Write some information facts about your favourite mini beast to share with the class.

Mini beast craft. Look closely at the different parts of a mini beast. Can you paint and label a mini beast picture or make a junk model mini beast?

Go on a nature walk. Can you draw a map of your journey? You may like to do some leaf, bark or stone rubbings on your way.

Make a bug hotel ('Buggingham' Palace) for the mini beast in your garden.

How many different birds visit your garden? Keep a record of the different birds you can see.

**All** children must complete at least one homework activity over the half term in order to achieve their homework award.
