

Friday 18th November 2022

Dear Yealmpton family,

I hope this letter finds you well. What a jam-packed week we've had! So much to reflect on and celebrate.

This week both our Year 5 class and our Year 1 class went on 2 different educational trips – Pine class visited the Devonport waste recycling centre as part of their Geography learning on sustainability, while Sycamore class went on a tour of the local area as part of their local area study.

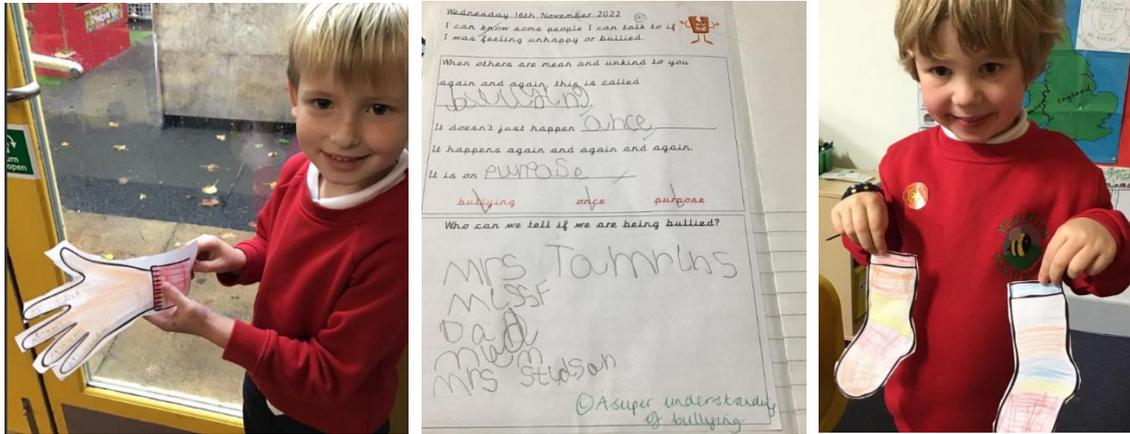

A brief note about our special treat on Monday! The World Cup begins this weekend! England has its first match on Monday, against Iran, at 1pm. This is the only group game that England has where we will be able to watch it live in school, as the other 2 are outside the school day. As a result, we will show the game on Monday, in 3 different rooms - one in UKS2, one in LKS2, and one in KS1. Children will have an option to either watch the game in one of the classrooms or complete a variety of different activities that link in to the World Cup in the other classroom. Our Arena sports coach will also be in on Monday to run sports activities for any children who want to be active!

A partner school in the Westcountry Schools Trust (WeST)

On Friday this week we all came to school in spots, Mufti and odd socks, to raise money for Children in Need and raise awareness of Anti-Bullying Week. As part of our work on Anti-Bullying, the children designed their own odd socks to celebrate difference and decorated their own 'reach out' hands – the message for Anti-Bullying this year is 'Reach Out' for support, whether you are being bullied or you witness bullying happen to someone else.

Across the school this week our children have been building habitats for wild animals, baking bread, experimenting with printing designs, playing the ocarina, exploring Maths ideas in outdoor learning and binary code messaging!

Wishing you all a wonderful weekend – 'Be the Best you can Be'
