

Dear parents, carers and children,

FYVS are planning ahead for the Festive Season and following the success of previous years, we are hoping that each class can provide a hamper of goodies to be raffled off before the end of term. The money raised will help fund school activities such as a professional Pantomime visit in school, art and science visits.

Each class has an individual colour theme, with **ELM** class having the colour **YELLOW/GOLD**.

On **Friday 2nd December** the whole school will have a colourful mufti day, where the children will be allowed to dress in their hamper colour for the day in exchange for donating an item to their class hamper! Each child will be asked if they can bring in a small item that day to help fill the hamper for **ELM** Class which is either **YELLOW/GOLD** or has **YELLOW/GOLD** coloured packaging. It doesn't have to be branded – most supermarkets use similar colours for their own label products. Here are some ideas to get you started:

- Yellow lollipop
- Yellow coloured shower gel or soap
- Yellow coloured / scented candle
- Nail Polish
- Honeycomb Club Biscuits
- Cadburys Flake
- Bassets Jelly Babies
- Juice (long life) / Fizzy yellow drink / lemon Squash
- Terry's Chocolate Orange
- Chocolate gold coins
- Starburst sweets
- Cheese Flavour Crisps
- Wine or Beer with an orange label e.g. Boddingtons
- Tesco Custard Creams

Please could we ask that any food items are sealed and in date - no fresh food please! Please bring items into class on **Friday 2nd December 2022**.

Raffle tickets will be coming home in book bags, with the draw being made after the evening KS2 Carol Concert at St. Barts on Wednesday 14th December. But don't worry, you don't need to be there – pop your details on the raffle ticket stub and we'll let you know if you are a winner!

We look forward to seeing how inventive you can be in meeting our challenge and which class has the best-looking Christmas hamper! Good luck!

Many thanks for your continued support.
