A partner school in the Westcountry Schools Trust (WeST)

Friday 26th April 2024

Dear Yealmpton family,

I hope this finds you well. This week our children have been active both inside school and out in the community. On Thursday, our Year 4 children visited Pizza Express, as part of their Science and DT learning. A fun day was had designing, making and finally (the best bit!) eating their very own delicious pizza!

In EYFS this week our young academics have been singing the song 'ten green bottles' then using different apparatus to find different ways of making ten. In addition, they've built rain clouds using jam jars and been busy planting their own seeds.

This week our superstars in Year 1 have been investigating different parts of a plant, drawing and labelling fruit. They have used rulers to accurately measure different objects in class and they've further developed throwing skills in PE.

Elsewhere in school, our Year 2 scholars have been immersing themselves in their new class book, 'The Lighthouse Keeper's Lunch,' and then performing it to the rest of the class. In Key Stage 2, our tennis stars have been developing their forehand and backhand striking and our mathematicians have been exploring the delights of angle using protractors.

On Friday we received a visit from Richard Woodland, Director of Inclusion and Safeguarding at WeST. Following a full day of school review, Richard was glowing in praise of our wonderful children. In class, at playtime, at lunchtime and during pupil talks, our children displayed outstanding learning behaviour, confidence, positivity, kindness, empathy, awareness and understanding. We strive to grow in school – Successful Learners, Confident Individuals and Responsible Citizens. How heart warming it is to see this recognised externally by our central team at WeST.

Wishing you all a wonderful weekend,
