Friday 7th June 2024

Dear Yealmpton family,

I hope this finds you well and you all had a wonderful half term break. We return back for our very last half term before the end of the school year! Today we've had our Mufti bring a bottle day in preparation for our Summer Fayre. Thanks to all the Yealmpton family who were able to bring in a contribution.

This week our youngest academics in Willow class have started their new topic on 'Minibeasts!' They kicked off with a Minibeast Safari in the orchard. The children thought about minibeast habitats and then looked under rocks and logs to see what they could find. It was very exciting to find so many minibeasts living in the orchard!

In Key Stage 1, our Year 1 learners made mouse masks ready for immersion into their new writing text, while Year 2 have been cutting open peppers, apple and tomatoes to find their seeds. These seeds were then planted and the children will be observing them to see which of the seeds grow the fastest! Up in Year 3, our athletes have been developing their throwing skills with the javelin!

Up in Key Stage 2 our children have been busy developing their sewing skills, exploring different angles and brainstorming enterprise ideas for the Summer Fayre!

Can I please remind those children who come to school on bikes or scooters that the path along Marjorie Walk is for pedestrians only. Children are welcome to push them along but we have had complaints from upset elderly residents that children are cycling and scootering fast along the path, and across residents gardens, and being rude to the residents when spoken to. Please can we all be aware we are representatives of school outside our premises and we strive to be 'Responsible Citizens' who have a positive impact on our local community.

On a positive note, please see attached the flier for our next FYVS soiree here in the school hall!

Wishing you all a wonderful weekend,
'Be the Best you can Be – the BEST version of you.'

Best wishes,

Headteacher: Rob Pepper
