Friday 28th June 2024

Dear Yealmpton family,

I hope this finds you well. In school this week our children have been busy both inside and outside the classroom! The Arena team have been in again on Monday to run Wild tribe sessions with our children. In Willow class, the children used clay and leaves to make a beautiful leaf print, while in Sycamore and Beech class they created their very own Japanese artwork called hapa-zome, by finding leaves and petals and hammering them into some fabric. To finish off, we all lit a camp fire and made popcorn to share with our friends.

Our children in Beech class had a fantastic day on Thursday at Kent's Cavern. The children began by completing a woodland trail, to find and explore different stations representing skills that you would need to stay alive in the Stone Age. Next the children learnt about different artefacts, before finishing the visit with a tour of the caves. All of the children were so brave! You were a credit to the school Beech Class in your behaviour and thirst for learning, well done!

Elsewhere in school this week, our talented learners in EYFS have been creating beautiful snail art inspired by Henri Matisse while in Year 3 our sports stars have been developing dribbling and control skills in football. In Year 5, the our super scientists got the chance to observe different cells through a microscope before making their own plant cell slides to observe under the lens.

Next week we look forward to Year 6 residential, EYFS trip to the zoo and our Summer Fayre!

Wishing you all a wonderful weekend,

'Be the Best you can Be – the BEST version of you.'

Best wishes,

Headteacher: Rob Pepper
