Friday 15th March 2024

Dear Yealmpton family,

I hope this finds you well. Another memorable week of learning comes to a close and so much to share with you! On Monday the children all got the chance to experience the amazing Explorer Dome. We all went on an adventure around the world, exploring the rainforest, arctic and desert, learning about different environments on our wonderful planet.

On Tuesday, the Wildtribe team from Arena were in school to work with Key Stage 2. The children practised their whittling skills and created some wonderful leaf pottery, before roasting marshmallows on the fire!

Today we've all joined in the fun for Comic Relief! How wonderful it was to see so many of the children and adults dressed in red. The children enjoyed learning about Comic Relief and they very much enjoyed their special Comic Relief biscuits made especially by Mrs Deane!

Elsewhere in school, Year 6 had a visit from our local PCSO (Police Community Support Officer) to talk about Key Stage 2/3 transition and the impact our behaviours have on others, while Year 1 received a special letter from the man on the moon! In Willow class, the children received a special delivery of frogspawn at the start of the week. They have since looked at the life cycle of frogs and then created their very own frog life cycle hats!

Don't forget, one final push for the Tesco Stronger Starts bid! It seems very close at the moment between ourselves and The Erme School in Ivybridge. Please keep picking up those blue chips if you go into Tescos and put them into our slot! The bid closes at the end of the month so not long to go!

Wishing you all a wonderful weekend,  
'Be the best you can be' – the BEST version of you!
