Friday 11th September

Week 2

Hello Yealmpton Family,

Exciting News

We are delighted to let you all know that baby Thomas Collins was born yesterday. Mrs Collins and Thomas are both really well and they are enjoying lots of cuddles.

Changes in Performing Arts

This year we would like to add some more variation in the opportunities for children to perform. We are exciting to announce that the Y3,4,5 team will be putting on a show in the Spring Term. This will give a wider group of children the opportunity to shine on the stage. We are also going to hold a Spring Show for our Willow and Beech class children. After the huge success of our Y6 production last year we are going to repeat this opportunity for Y6 in their last week of Primary School in order for them to truly show off their talents. I have put the dates for the Spring shows after the Autumn Term dates.

Gardening

Now we have usable gardens the children will be enjoying this space. These sessions will begin w/b 21st September with Y6. Your child's class teacher will send out details about what to bring on the day that they spend some time in the garden area.

w/b 21st September Y6
